

Rec. 15/6/16

[REDACTED]

The Secretary
Legal and Social Issues Committee
Parliament House, Spring Street
East Melbourne Vic 3002.

Dear Sir/Ms.,

With regard to a letter received from the Member of Parliament for South-Eastern Metropolitan Region.

I have been a resident of the [REDACTED] Frankston South, for 25 years, during which time I have been entirely satisfied with all aspects of the Village and have had no reason to complain.

Management liaises with the Residents Committee consisting of ten members elected annually by a democratic vote.

I have never heard of any problematic practices within our Village. From the very beginning I have been impressed with the overall running of same. The care during sickness or daily difficulties is outstanding. Maintenance matters are promptly dealt with. The range of activities is extensive and the Hostesses attend to other enquiries.

The Village motto is 'Every person valued - every person cared for.'

Yours faithfully,

[REDACTED]
Stuart Duncombe.
