<p><u>My Issue or Problem</u></p> <p>The management want us to take over the cost of running the village even though only some of the houses are built and the main community hall and bowling has not been built, like a green yard has been leased as part of the retirement village plan.</p>	
<p><u>My Solution</u></p> <p>As more older Australians move into Retirement villages we need an ombudsman to protect the interests of justice for Residents</p>
