My Submission	
<p><b>My Issue or Problem</b> This Village was first meted in 2008. I moved in in Feb, 2011. We spent 1 1/2 yrs in Wyndham hotel to wait for house to be built. The Clubhouse is started this year with swim pool. It is so slow. Bus is reduced due to lack of money. Clubhouse is going slowly. Villas are half built. 119 of 230. I do not have a car, so have to ask for a driver to get to appointments.</p>	
<p><b>My Solution</b> More money to finish Village and Clubhouse (Community Centre).</p>
