My Issue or Problem	<p>Patrick & I moved to [REDACTED] 2006 years ago with great excitement looking forward to all that was promised with a big club house, pool, tennis court etc, it has been a big disappointment not having all this provided, we all have lovely units & wonderful friendly people here the place has so much potential & feel that an ombudsman would be the answer to all residents problems</p>
My Solution	<p>An ombudsman here at Kethbrack Park would be the solution</p>
