<b>My Issue or Problem</b>	
<p>My wife and I came to [REDACTED] in April 2010 and at that time we were told that a club house, swimming pool bowling green would be built, its now 6 years gone and nothing has been provided. We believe that these developers need more regulation to see that hard working people in their retirement are treated with respect and care and believe that an ombudsman would be the answer to residents concerns.</p>
