My Issue or Problem	<p><u>Body Corporate Rates.</u></p> <p>Why should we have increased body corporate fees when we don't have any facilities that was promised to us when we bought our villa a month in 12th ago. after renting for 9yrs. Security has become less secure. <u>Council Rates</u> all we get is a garbage collection. no other services no gutter sweeps. it has been all promises but nothing has happened.</p>
My Solution	<p>We definatley need an ombudsman appointed. so we have somebody to listen & deal with the issues we all here at [REDACTED] have.</p>
