Inquiry into Retirement Housing

Dear Sir,

I am a retiree living in a retirement village in [REDACTED]. The very high rates that Nillumbik Shire charges us are unjust.

I contend that we have to pay for street lighting and to maintain our roads in the village.

Yours Faithfully,

Brian Harvey

Dear Sir,

I contend that it's not fair for the little services we receive from the Shire.

Inquiry into Retirement Housing

Dear Sir,

I am a retiree living in a retirement village in [REDACTED]. The very high rates that Nillumbik Shire charges us are unjust.

I contend that it's our properties should not be valued on the basis of our ingoing price because this includes a premium for the services and retirement facilities of the Village.

Yours Faithfully,

Brian Harvey
