The Executive Officer
Electoral Matters Committee
Parliament House
Spring Street
East Melbourne 3002

Dear Mr Roberts,

Thank you for your correspondence date 4th May 2007 inviting a submission to the inquiry into the conduct of the 2006 State Election by the Electoral Matters Committee.

We believe that the Victorian Electoral Commission (VEC) conducted the 2006 Victorian election with professionalism, competency and fairness.

However, there are a couple of areas that we would suggest that the Committee examine.

Firstly, there were a very large number of joint voting centres (approximately 145 booths in total) on polling day which created confusion amongst voters over which candidates they should be voting for and challenges with campaigns over how they staff the joint polling booths.

We would suggest that the VEC consider reducing the number of joint polling booths for the 2010 state election. Attached a copy of the list of joint polling booths provided by the VEC.

Secondly, the eligibility requirements for people to be on the roll should be as broad as possible and we vigorously oppose the recent federal government changes, in particular the of identity requirements of enrolment at a federal level.

Thirdly, while the VEC on the whole did a very competent job of counting the Legislative Council ballot given that it was the equivalent to counting eight Senate elections for Victoria at the same time. However there were some substantial errors in the count. We would suggest that the Committee talk to the VEC about the options for improving the Legislative Council count.

Yours in friendship,

STEPHEN NEWNHAM
VICTORIAN STATE SECRETARY
VICTORIAN ALP
