INQUIRY INTO THE HANDLING OF THE CHILD ABUSE BY RELIGIOUS AND OTHER ORGANISATIONS. ON BEHALF OF MY HUSBAND CLIFF AND I.

My name is DAWN WATT, We are grandparent's to EMMA and KATIE FOSTER, who were raped by their parish priest FR KEVIN O'DONNELL.

EMMA has taken her life Katie was hit by a car now need's 24hr, care,because of the abuse of O'Donnell, Who was first reported about in 1946.

HE was a great friend to Bishop Frank Little, so he was protected, also he made a lot of good investment's which raised lot's of money for the church. [They love their power and money.] Our Granddaughters had their right to a normal life taken from them by this paedophile who could not keep his penis in his pants Why did'nt he hire a Propstitute or take a girl friend. and leave our children and our family lead a normal life.

I feel the catholic church is the most evil paedophile cult ,for the abuse of all the children in their care, and the cover up by the hierarchy

Being betrayed by the church you have attended and worked in all your life is the pit's. It has removed so much from our lives, these men must not believe in God or they could not rape our children, the church cares more about their money and image then thier victims. I don't believe it's God's church any more the God we grew up honouring and believing in would vomit .when he sees what the Pope, Cardinals, Arch- Bishops, bishop allow their Cult of paedophiles priests and brothers to get away with the destruction of the lives of our children,and all their families.

We rue the day we brough our children up catholic's we blame our selves for the hell our children 's lives have become, all because of a church of Satanic priest I detest the men who run the catholic church , and I know they hate me and my family ,we won't keep quiet because this must not happen to other families, had some-one spoken up 50 yrs ago our girls would have a life.,I am sorry you have to read about my hatred of these people but they have harmed my family, God's message was to protect your family, God said it would be better you have a mill-stone around your neck and drown then interfere with children

THE GOVERNMENT BODY LOOKING INTO THIS ABUSE SHOULD NOT BE SWAYED BY THEIR BELIEFS BUT BY THR COMPLAINT'S YOU RECIEVE A FAMILY GOES THROUGH HELL TRYING TO KEEP ABUSED CHILDREN ALIVE. IT'S TIME THE CHURCH FACE THE CIVIL LAW LIKE ALL OTHER CITIZENS HAVE TO. NOT CANON LAW BECAUSE THE LAW OF THE CHURCH WILL DO NOTHING.TO CORRECT THIS WRONG ,AND MORE CHILDREN WILL DIE,

I have written several letters to this inquiry but hav'nt sent them, because of the hate I feel, because of the lack of their caring for what they have done to hundreds of families , because we were not believed , because we were told we were gossips and liers, because they think they should be believed . because they are above the law,and can have the protection of people in high places.

Some-thing must be done to stop them abusing children.

YOURS SINCERELY OFFENDED GRANDMOTHER DAWN WATT,
