Inquiry Name: Inquiry into VicRoads' Management of Country Roads

Mr Adrian Schonfelder

Barrabool, Victoria, Australia

SUBMISSION CONTENT:

--

Cape Otway and Hendy Main Roads where they intersect with the Princes Highway at Mt Moriac requires bridges and flyovers to be constructed. Cape Otway Road is becoming a very important Road for tourism and is in urgent need of a full upgrade.

Western Highway between the South Australia border to Ballarat requires duplication in an environmentally sensitive manner minimising the removal of significant trees in the precinct.
