Inquiry Name: Inquiry into VicRoads' Management of Country Roads

Mr Jarrod Chatfield
Grassmere
3281

SUBMISSION CONTENT:

--

I would just like to express my thoughts and they are evidence based due to my career that myself and all my colleagues would be against any proposal to reduce speed limits. It’s not the answer in fact with the quality and safety of cars these days the limit could be increased to 120-140 and you would see a decrease in collisions.
