Dear Sir,

Re: Hamilton to Portland Road

It would be greatly appreciated if you could allocate some funding for the re surfacing of this arterial road. Currently there are places where the road has eroded away and furrows of up to 150 mm deep are evident.

This causes considerable stress to the vehicles and their drivers, and has resulted in broken wheel arches in certain instances.

Hoping you will see your way to alleviating this problem in the near future.

Yours faithfully,

Barnetton H. Brown.
