Re: Changes to the urban Growth Boundary
Refers to : 1775 Merriang Road, Beveridge Vic. 3753.

Members of the Committee,

We, Norman Hauffe and Pamela Hauffe, would be grateful if you would accept, as our submission for exclusion from the new urban growth boundaries, a copy of our letter to the Hon. M.J.Madden regarding our farm at 1775 Merriang Road, Beveridge.

With regard to the property at Beveridge, it seems that the new Urban Growth Boundary would cut through the property. This would leave us with such a small holding as to be totally unsuitable for any profitable farming practice.

We also draw your attention to matters regarding revegetation of that area of the Merri Creek which crosses our farm. In partnership with Melbourne Water and the Stream Frontage Management Program we have spent in excess of \$9,000.00 fencing and revegetating that portion of the Merri Creek. We have serious doubts about the viability of this project once these boundaries are changed.

We ask that you consider our submission as coming from parties directly and seriously affected by the new Urban Growth Boundaries & Growth Area Infrastructure Legislation. We believe our matters to be relevant, not frivolous or offensive and address the terms of reference.

Thank-you for your attention to these matters.

Norman P. Hauffe & Pamela A. Hauffe.
