

315 Camerons Lane

Beveridge 3153

my name is Shelly. I am 7
 I don't like seeing all the dead animals
 on the road when I go to school.
 Why do you all want to
 wreck our home
 and earth. I am told at school
 not to litter and to respect
 the earth and then you all
 want to kill trees and animals
 I care about animals
 and want them to live
 the rest of my life for ever. Why do you
 want to put them in our hands when
 we don't have a thought for
 them.
