

2010-11 PAEC Presentation

Department of Education and Early Childhood Development

Hon. Bronwyn Pike MP
Minister for Education

Every
child,
every
opportunity

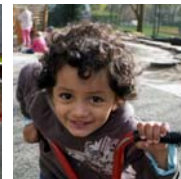

Education –our Blueprint reform agenda

System improvement

Partnerships with parents and communities

Workforce reform

Our school rebuilding program is the biggest in the State's history, demonstrating our commitment to giving every child the best opportunity to learn, grow and shine.

Investing in school infrastructure

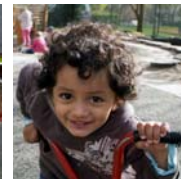

- **Two key programs:**
 - **Victorian Schools Plan (VSP)**
 - \$1.9 billion Victorian Schools Plan
 - **Building the Education Revolution (BER)**
 - Delivering the \$2.5 billion Commonwealth program to Victorian government schools

Investing in school infrastructure

Victorian Schools Plan

- \$1.9 billion VSP commitment delivered:
 - 553 schools funded
 - 20 new schools
 - 42 small rural replacement schools
 - 400 modern relocatable classrooms
 - 30 new tech wings in Secondary Schools
 - 2 new select entry schools

Investing in school infrastructure

Victorian Schools Plan - \$334.4 million in 2010-11 Budget.

- \$230.3 million in new Victorian Schools Plan funding, including:
 - Modernisation projects
 - Regeneration projects

June 2010

March 2011

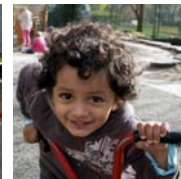

December 2010

Investing in school infrastructure

- **Building Education Revolution - Progress (P21 and SLC)**
- BER is progressing well in Victoria.

Pre-contract*	Underway / Completed	Total	Completed by 30 June
213 (16%)	1110 (84%)	1323 (100%)	193 (15%)

Investing in school infrastructure

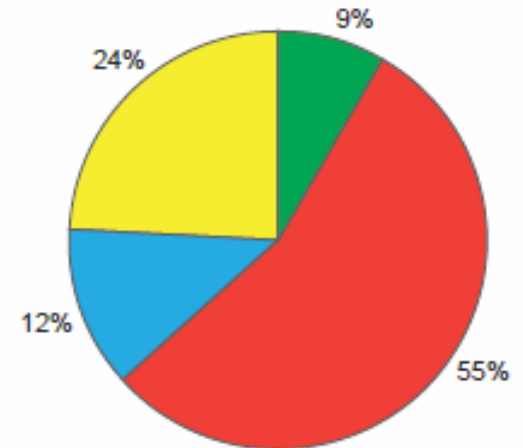

Building Education Revolution

- **Overall program management**
 - The Commonwealth provided 1.5% on top of project funding for program administration.
- **Individual project management**
 - Project management costs are within Commonwealth guidelines.
- **Value for money outcomes**
 - Rigorous public tender strategy and cost benchmarking.
 - Entire project subject to Commonwealth and State audit processes

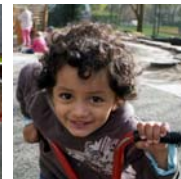

Investing in school infrastructure

- **Building Education Revolution delivering high quality outcomes, with:**
- Contemporary designs
- A focus on educational outcomes the priority
- Extensive consultation with schools and networks

- Small off-site manufactured buildings
- Template buildings
- Individually designed buildings
- Refurbishment of existing facilities

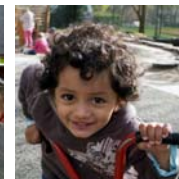

Bushfire recovery

- **\$3.4 million** provided for three schools being rebuilt
- **\$6 million** provided for three early years facilities being rebuilt
- **\$41 million** provided to increase bushfire resistance of school facilities

Blueprint for Education and Early Childhood Development: Our Progress

All 42 initiatives in the 2008 Blueprint have been delivered or are underway.

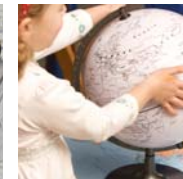

For example:

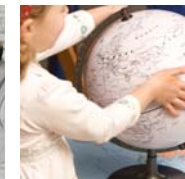

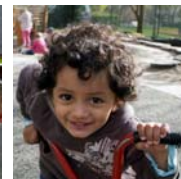

- Releasing the *Energising Science and Mathematics Education in Victoria Strategy*
- Teach for Australia initiative
- School performance summaries

Achievements – Bastow Institute of Educational Leadership

Achievements – ICT in Schools

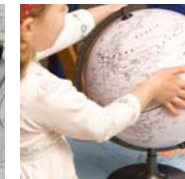

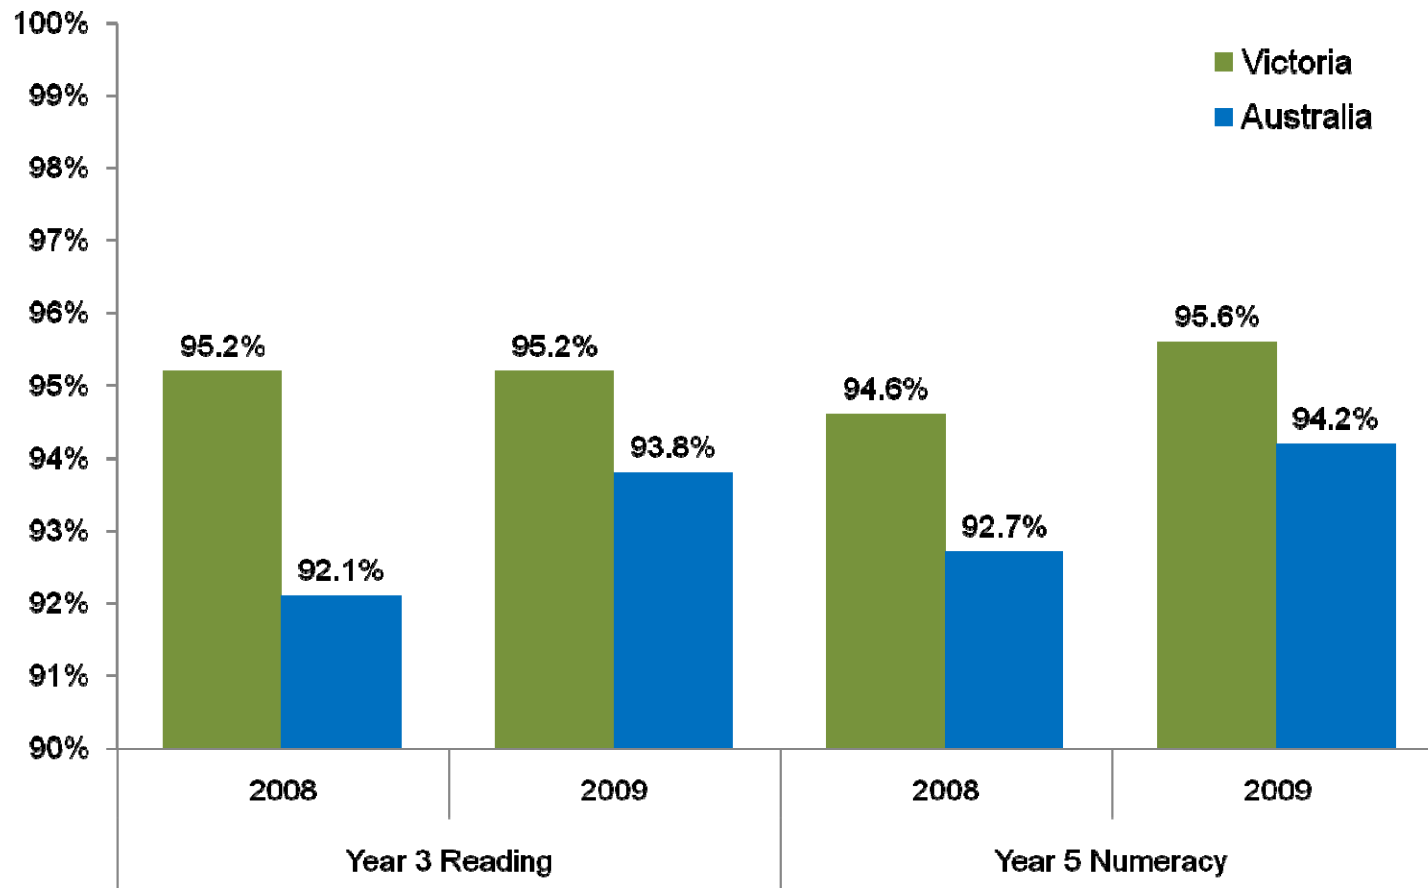

Achievements – Support for Non Government Schools

- \$287 million over five years has been provided to non-government schools, with an emphasis on supporting vulnerable students.
- This is on top of a range of other initiatives supporting non-government schools.
