CORRECTIONS VICTORIA PORTFOLIO

Question

1. Please advise how many instances there were in the last financial year where a sex offender has been in breach of a condition of their corrections order (including parole, community corrections orders and post-sentence detention and supervision orders).

Response

The Department of Justice does not maintain aggregate data in relation to the number of instances where sex offenders have been in breach of a condition of their corrections order (including parole, community corrections orders and post-sentence detention and supervision orders).
