Response:

The *Managing in Two Worlds: Governance Training Program* (the program) commenced in 2006. Since this time 673 Aboriginal people have participated in the program.

In 2011, 51% of participants undertaking the training were board members of an ACCO, 37% were staff members in an ACCO, 4% were engaged in Local Indigenous Networks, and 8% were Aboriginal community members not employed or involved in governance of an ACCO.

In 2012-2013 an external review will be undertaken to further analyse the range of outcomes of the program.
