Dear PAEC,

We at Behind Closed Doors,
believe there needs to be greater clarity for the sex worker community.
This means a public statement outlining when private sex workers
can return to work.
Currently, Victorian Sex Work Law does not make a distinction
between private sex workers
and brothels/escort agencies.

We look forward to hearing from you.

Best Regards,
Kitty, Dean and Sassy

Behind Closed Doors is 3CR's award-winning best new program of 2019. We are the only sex worker radio show in Australia. We strive to provide a comfortable space to explore the world of sex work. Our aim is to reduce the inherent stigmatisation of sex work through bridging the gap with the public by offering a space for both sex workers and allies to share their thoughts and experiences. We support the decriminalisation of sex work in Victoria and cover news on law reform as it takes place.

We acknowledge the traditional Aboriginal owners of our country throughout Victoria and pay our respect to them, their culture and their Elders past, present and future.
