YOUR SUBMISSION

Submission:

I am deeply saddened by the way the victorian government and Daniel Andrews has handled this covid situation,

It is destroying small business while large corporations are making massive profits.

The curfew is and 5km rule unconstitutional and has no relevance to a virus,

I feel that this is not about a virus at all, instead it is about having complete control over the people of Melbourne.

I feel ashamed and deeply saddened by the way it is handled and I am asking for Daniel Andrews to stand down.

Do you have any additional comments or suggestions?:

What happened to herd immunity or 2 weeks to flatten the curve.

Enough is Enough
