### YOUR SUBMISSION

#### Submission:

I believe that there should be a Royal commission into the State Govts handling of the Covid response. The prolonged lockdown has had a catastrophic impact on many small businesses and mental health. Also, the hotel inquiry has been a debacle in that many of the people questioned simply couldn't recall a key decision. I simply cannot believe this and feel that we can longer trust the current Govt. Hence to give them more potential powers is not acceptable.
