### YOUR SUBMISSION

#### Submission:

Why has not one person in daniel andrews government admitted that they knew of the decision to use untrained, whatsapp, guntree security guards, and accept that 90% of the deaths related to covid in Australia have occurred in Victoria as a direct result of daniels andrews descision to grant a 30 million dollar under the table deal to these cowboys, the worskafe laws need to be implemented and charges need to be laid.

#### Do you have any additional comments or suggestions?:

why has ther been no debate, disclosure, discussion about the "science" behind daniel andrews lockdowns and restrictions on Victorians, and the ludicrous concept that masks will protect you from covid-19. further why the consistnt lying to the public and renegeing on the lifting of the restrictions, daniel andrews lit the fire and now he wants the praise for putting it out
