Attention : the elected leaders of the State Of Victoria
25th August 2020

To all of you who believe that sequestering your constituents in the name of health offers protection from harm - you are completely deluded. You have caused great harm - and those of you who are medical professionals you have made an OATH TO ' DO NO HARM'. LIARS.

You have taken away our liberties and freedoms under the assertion that we are to blame for the COVID19 deaths.

LIARS.

You have forced communitites to believe that they are unsafe with neighbours, friends even family.

LIARS.

You have manipulated our minds and lives with falsehoods and untruths about health and the human system.

LIARS.

You have taken our children away from their peers and schooling in the name of COVID 19. LIARS.

You have forced us to believe that we are not safe outside in the name of COVID19.

LIARS.

You have caused unimaginable harm to the minds of the people in this state - of FEAR and you are using FEAR as a tool to keep us locked up.

LIARS.

Our society is an elegant system not a machine. When will you learn?

This is torture, it is deluded, it is inhumane.

My health is strong regardless of your attacks on my liberty. I know what is true and what is real - and I know that COVID19 is a false banner for all of this awful power grabbing and control.

I will hold sacred my health and wellbeing and I will maintin my integrity - and shine for my community a light of truth.

You will be held to account - FOR YOUR LIES.
