Subject: End duck shooting in Victoria
Date: Tuesday, 26 November 2019 7:11:18 PM

Dear committee members

I implore you to bring an end to duck shooting in Victoria. Killing any animal for pleasure or sport is barbaric and has no place in modern Australia.

Duck shooting is inhumane and causes immense suffering for our wetland birds. It is our duty to protect our wildlife and not wilfully kill them and cause them undue suffering.

Help us to bring an end to this disgusting practice. The majority of Australians are opposed to the indiscriminate killing and maiming of our native wetland birds.

Protect our wildlife. They are not there for the perverse pleasure of a few uncaring people. The majority of the population are opposed to this.

Yours sincerely,
Hugh Clark
