Dear Committee Members,

Please consider the proposal to ban duck shooting in Victoria.

The shooting of our native birds needs to end.

I live on a rural property and I am surrounded by beautiful water birds and it is soul destroying to think that come duck hunting season they could all be massacred.

Our society has moved on from this archaic practice and our Government should not allow this brutality to continue.

Please end this violence and bring some peace to the lives of those in rural areas where this massacre takes place.

Please allow our native birds to also live in peace,

Kind Regards,  
Kerrie Brooks
