Subject: End duck shooting in Victoria
Date: Wednesday, 27 November 2019 10:13:25 AM

Dear Committee Members

I loathe everything about the mindless brutal practice of killing ducks, ostensibly for sport. The difference in the power of the two participants renders the activity anything but sport, given the vulnerability of the ducks and the power of their killers. The activity is simply a mindless macho past time involving humans who demonstrate some of the worst aspects of the human species, which will inevitably bring about its demise. Maybe then the remaining species, those that survive, can get on with their peaceful existence.

I hope this inquiry will seriously consider an end to duck shooting in Victoria, and will also provide recommendations for Government actions to restore and protect the wetland habitats all our water birds depend on.

Thank you for the opportunity to share my thoughts.

Yours sincerely,
Betty Moore
