### YOUR SUBMISSION

#### Submission:

Duck shooting needs to cease! Turning our waterways into a bloodbath is criminal. Killing native bird life has no place here in Victoria in 2019. We are already battling declines in native species with climate change. They don't need to be slaughtered as well. I want my children to experience the beauty in life & gave the natural experience of seeing and enjoying watching native birds in their natural environment. Please put an end to this barbaric sport. It's cruel and unnecessary.
