

**Question:**

**Mrs McARTHUR:** Thank you, Chair. Just one other question—I just wonder if you can actually supply the committee with a sample of a questionnaire or the questionnaires that you use?

**Mr ZAGO:** Yes. I think most of our questionnaires, once a survey has been completed, are available on the ABS website, but we could put together a pack of ones that might be of interest to the committee.

**Response:**

The ABS Standard for Sex, Gender, Variations of Sex Characteristics and Sexual Orientation Variables includes standard question structures for each of the updated variables. The latest version is available on the ABS Website - <https://www.abs.gov.au/statistics/standards/standard-sex-gender-variations-sex-characteristics-and-sexual-orientation-variables/latest-release>.
