Dear Mr Eren

I refer to your letter dated 20 August 2007, addressed to Mr Jim Hallion, Chief Executive, Department for Transport, Energy and Infrastructure (DTEI), inviting a submission on existing, new and developing technologies for implementation to improve safety at level crossings.

I am pleased to advise that the Department is currently preparing a submission for the information of the Road Safety Committee.

In the interim, if you require further information I encourage you to contact DTEI's Manager, Traffic and Access Standards, Mr Wayne Buckerfield, on telephone number (08) 8343 2002.

Yours sincerely
