Committee Secretary

I would like to make point that the proposed legislation to coerce Australians residents to inject lethal vaccinations in to their children against their will is of the most inhumane thing I have ever come across. It goes against all Human Rights (please see links below) policies that Australia is signed up against.

You are only permitted to enforce these type of draconian type legislation if there is an emergency threat against the health of the nation. As you have already achieved herd immunity at 94% Vaccinated people, then there is no danger to the population as a whole and therefore these Laws you are trying to introduce are against our Human rights.

I would like to bring your attention to an Open Letter to Legislators Currently Considering Vaccine Legislation from Tetyana Obukhanych, PhD in Immunology. Please see attached.

I hope that you can see sense in what you are trying to enforce on to innocent children and their parents. It's not only against our human rights it's immoral and unnecessary. The only true purpose is to line the pockets of the already out of control Pharmaceutical companies.

1) The Bill

2) The Explanatory Memorandum, which includes the Statement of Compatibility With Human Rights

3) Minister's Second Reading Speech

[http://parlinfo.aph.gov.au/.../hansard\\_frag.pdf;fileType=appl...](http://parlinfo.aph.gov.au/.../hansard_frag.pdf;fileType=appl...)

Of most relevance is the Explanatory Memorandum because it purports to present why the Bill is justified. In particular, the Statement of Compatibility at the end of the Explanatory memorandum aims to account for why human rights breaches are justified.

Australia has agreed to be bound by 7 key Human Rights treaties, listed here:

<http://www.lawcouncil.asn.au/.../australia-s-international-hu...>

The most relevant Human Rights treaties in relation to this Bill are numbers

1 to 3, all of which are referenced in the Statement of Compatibility in the Explanatory Memorandum

International Covenant on Civil and Political Rights

<http://www.ohchr.org/en/professionalinterest/pages/ccpr.aspx>

International Covenant on Economic, Social and Cultural Rights

<http://www.ohchr.org/.../ProfessionalInterest/Pages/CESCR.aspx>

Convention on the Rights of the Child

<http://www.ohchr.org/en/professionalinterest/pages/crc.aspx>

Thanks in advance.

Kind regards

**Kelvin Durcan**
