Dear Ms Blandthorn

**'Public Health and Wellbeing Amendment (No Jab, No Play) Bill 2015'**

I am writing to confirm that I do not support the proposed amendment to the Public Health and Wellbeing Amendment Bill 2015 in relation to the No Jab, No Play proposal.

I am currently living overseas returning soon. I do not have children as yet but will be venturing into the world of parenthood shortly. That does not however change the fact that I do not support this proposal though.

As a Australian citizen, consistently Liberal voter with a history of severe adverse reactions to vaccinations I ask you to reconsider removing these liberties and understand that where there is risk, there must be choice.

Regards

Elizabeth Mason
