Mr. Edward O'Donohue,
Chairperson,
Scrutiny of Acts and Regulations Committee,
Parliament House.

Dear Sir,

I believe the present Human Rights Charter fails to guarantee the right to life of all human beings. I therefore humbly submit, that when considering Section 44(2)A of the Act, the Charter should include the following:

1. The right to life of unborn children.

2. The right to life saving medical treatment for babies born alive after abortions.

3. The right to pregnancy support for mothers facing an unplanned or unwanted pregnancy. 
   ("a nation unwilling to accept an unplanned or unwanted pregnancy is a nation in love with death" Ben Chifley former Australian Prime Minister. )

4. The right to conscientious objection for doctors and allied health professionals to refuse to participate in abortions and abortion referrals.

Yours Sincerely,

John Kerin.
