Dear Mr Edward O'Donohue MLC

Regarding the 'SCRUTINY OF ACTS & REGULATIONS COMMITTEE REVIEW' and in particular 'Section 44(2)' of the Act, I have recently be made aware that the following rights are absent:

1. the right of the unborn child to life;
2. the right of a baby born alive after a failed abortion to full medical attention and care aimed at preserving the life of the baby;
3. the right of women to be fully informed of the medical risks of abortion;
4. the right of freedom of conscience for doctors to make professional decisions and not be forced to refer for abortion.

I can think of no good reason for the omission of these rights and would ask that these be included. This omission greatly concerns me!

Kind regards,
Terry Baldwin
