**Sport**

**11 866. MS HARTLAND** — To ask the Minister for Trade and Investment (for the Minister for Sport): How much money is Sport and Recreation Victoria currently allocating to walking and how much will be allocated in the delivery of the Active Victoria strategic framework.

**ANSWER:**

I am informed that:

Sport and Recreation Victoria (SRV) provides funding to support both sport and recreation organisations and the development of sport and recreation infrastructure to support those activities.

Total funding of \$222 500 has been allocated in the current funding cycle to support activities of Victoria Walks, Bushwalking Victoria and Outdoors Victoria.

The 2016-17 and 2017-18 rounds of the Community Sport Infrastructure Fund is contributing \$1 053 000 towards the development of walking trails and other infrastructure to support walking.

Active Victoria provides the strategic framework for investment across all levels of government and by the sport and recreation sector to both strengthen sport and recreation in Victoria and maximise the economic, health, social and liveability benefits that sport and recreation provides.

Victorian Government investment in sport and recreation, including walking, occurs across government departments and agencies. It includes, for example, Park Victoria's ongoing investments in the development and maintenance of trails and tracks, VicHealth's Walk to School grants and the \$100 million Safer Cyclists and Pedestrians Fund.

Future funding decisions in relation to specific support for walking will be made by the relevant departments and agencies as part of the development of future budgets.
