Dear Mr Willis,

Inquiry into Victorian Government Decision Making, Consultation and Approval Processes
Victorian Desalination Project

I request that the committee make any inquiries and investigations necessary to ascertain if a predetermined position was held, or predetermined decision made, by Justin Madden, regarding the approval process for the Victorian Desalination Project.

Yours sincerely,

Maurice Schinkel
The Secretary  
Standing Committee on Finance and Public Administration  
Legislative Council  
Parliament of Victoria

Dear Mr Willis,

Inquiry into Victorian Government Decision Making,  
Consultation and Approval Processes  
Victorian Desalination Project and Planning Panels Victoria

The following is in response to the posting of a ‘Call for Submissions’ on the website www.parliament.vic.gov.au/council/scfpa.

I request that the committee determine if it is capable of calling to give evidence, or subpoenaing if necessary, the members of Planning Panels Victoria who constituted the Panel Inquiry into the Victorian Desalination Project.

Once it is determined the above are able to be called, I request to present a series of questions to the committee, for subsequent putting to the members of Planning Panels Victoria.

Yours faithfully,

Maurice Schinkel
