Mr Richard Willis
Secretary, Council Committees
Department of the Legislative Council

Spring Street
EAST MELBOURNE VIC 3002

Dear Mr Willis,

I am writing with regard to evidence presented to the Select Committee on Train Services by myself and Mr Kary Petersen from the Tourism & Transport Forum (TTF). I have examined the proof version provided to us and found an issue I feel needs addressing.

During our session, I referred to attractions operator ING Real Estate as being a member of TTF (towards the bottom of page 17 on the transcript). They have, in fact, elected not to renew their membership due to structural issues with the Southern Star Observation Wheel and as such are now a former member of TTF.

The remainder of the evidence should stand as recorded.

Regards
