## NOTES.

*Period of Membership.*—Under the *Electoral Provinces and Districts Act 1965* (No. 7270), which provided *inter alia* for the redivision of the southern area of Victoria into new Electoral Provinces for the Legislative Council, the total number of Provinces was increased from 17 to 18, each returning 2 members. The Act also provided that the redivision should not affect those Members due to retire in 1970. Therefore, until 1970 the Council consisted of 17 Members due to retire in that year, and 18 Members elected in 1967. From 27th June, 1970, the Council consisted of 36 Members.

In 1966 Parliament passed *The Constitution Act Amendment (Conjoint Elections) Act 1966* (No. 7462), which provided that a joint election for the Council and the Assembly could be held within three months immediately prior to 15th July, 1967—the day after the next ensuing date upon which one-half of the Members of the Council were due to retire by effluxion of time.

This election was duly held on 29th April, 1967, and, in order to define clearly the period of membership of Council Members elected thereat, Parliament passed *The Constitution Act Amendment (Electoral) Act 1967* (No. 7532), which provided that, where a poll at a periodical election is taken before the date on which one-half of the Members are due to retire by effluxion of time, the period shall be from and including the day after the date when such retirement is due.

The next tri-ennial election was due to be held on 27th June, 1970 but, pursuant to *The Constitution Act Amendment (Conjoint Elections) Act 1969* (No. 7912), it was held on 30th May, 1970 conjointly with a general election for the Legislative Assembly.
