Note.—This Table has been compiled from Returns received from the Police Magistrates, Town Clerks, Presidents and Chairmen of Shire Councils and Road Boards, and other officials located in the various districts, in accordance with forms supplied from the Immigration Office. These forms, in addition to columns for the above information, contained a request that the wages of any other prominent callings might be furnished. This request resulted in wages of steamboat hands for river trade being returned at 45s. per month for Echuca; in wages of mining engineers being returned at 46 per week, and those of millers at 65s. per week, both without rations, for Mansfield; in wages of splitters being returned at from 20s. to 30s. per 100 for Morino; in wages of brickmakers being returned at 22s. per m., including wood for burning, for Mount Eliza; and in wages of splitters of posts and rails being returned at 25s. per 100 for Newstead.
