* This column embraces the Pensions of Lady Darling, of Mrs. Petrie, of Ministers relieved from office on the introduction of Responsible Government and on political grounds, and the Superannuation Allowances of Mr. Hoddle, first Surveyor-General of the Colony, and of Mr. Justice Williams.

NOTE.—The pensions and superannuation allowances referred to in this and the preceding table are those which would be payable, supposing the whole to be in existence throughout the 12 months. In consequence, however, of some of the allowances not commencing until the year has more or less advanced, in consequence also of some of the old ones falling in during the course of the year through the death of the recipients, the amount actually paid is always less than the amount shown on the list. The material for this return has been derived from statements furnished each year by the Honorable the Treasurer.
