NOTE.—The increase in the number of electors in 1911 compared with 1908 is accounted for by the enfranchisement of women, and by an alteration in the method of enrolment provided for in the *Electoral Act* of 1910. Under this Act an electoral canvass was authorized to be made periodically and this was carried out by the police, under the supervision of the Chief Electoral Inspector, in 1911.

* These numbers are approximate only, the Rolls not having been printed.

† The increase in the number of electors on the rolls in 1904-5 is due to the franchise of the Legislative Council having been broadened by the Reform Act of 1903.

‡ The great increase in the number of electors on the rolls in 1909-10 is due to the operation of the *Adult Suffrage Act 1908*, No. 2185, which extended the franchise to women.

§ Under the provisions of the Electoral Act, 1910, rolls of ratepayers and non-ratepayers for the Legislative Assembly were abolished. Special general rolls were prepared for 1911 from results of an electoral canvass.
